## DETAILS

Our new twill cap will be the elegant touch to your outfit in any circumstances. Very light and comfortable, with a visor to protect you from the sun on the hottest days. In case of bad weather, its Teflon-coated fabric makes it slightly water-repellent to prevent rain from seeping into your eyes. Really the essential accessory to spend the day outside!

## FEATURES

- Tab length 5" with velcro loop on full length
- Matching stitches
- Oil repellency and water drop Teflon from HuntsmanMoisture control

## FABRIC

65 % polyester, 35 % cotton
