DETAILS

Introducing the ultimate in law enforcement wear: the Winter Police Jacket. Designed for the modern officer, this jacket comes with practical microphone attachments for flawless communication. Side zippers provide fast access to your utility belt, boosting readiness and efficiency. It features three large pockets for secure storage of gear and personal items. The removable hood shields against severe weather, and Velcro wrist adjustments offer a snug, comfortable fit. Shoulder tabs are added for displaying rank or unit. More than just clothing, it's an essential tool for officers, combining functionality with professional style. Stay warm, equipped, and in control with the Winter Police Jacket.
