DETAILS

A warm, thick and water-resistant winter coat. What's more comfortable than a garment that combines simplicity and sophistication? It provides many benefits in terms of visibility and style; a double-sided, contrasting zipper, detachable hood and adjustable elastic waistband. This makes it a complete coat, meticulously designed to be as suitable as possible in the face of winter.

FEATURES

- Water resistant 8000 mm
- Breathable 3000g/m²/24h
